SPRING IS HERE, AND WITH WARMER WEATHER COMES AN INCREASE IN FLEAS AND TICKS.

To help keep your pet protected all season long, we're offering a special promotion. Available for both dogs and cats. Veterinary recommendation may be required to ensure the correct product for your pet

Fleas and ticks can carry diseases that affect both pets and people, including Lyme disease. Preventing infestations early is the best way to keep your pet safe, comfortable, and healthy.

BUY 6 MONTHS OF FLEA & TICK PREVENTION AND RECEIVE 10% OFF YOUR PURCHASE.

EXP : June 30th, 2026.

Offer valid only during the month of June. Discount applies to qualifying flea and tick preventive products purchased in a 6-month supply. Cannot be combined with other promotions, discounts, or manufacturer rebates unless otherwise specified. Offer subject to product availability. Pet must be an active patient of the clinic and may require an up-to-date exam or testing depending on the product recommended. No cash value; not valid on previous purchases.
